

Subject: Supercharge Your Team's Writing Skills with Customised AI Copywriting Training

Dear [Learning Development Manager's Name],

I hope this message finds you well.

I'm reaching out to you as an authorised representative of [Your Company Name], a company specialising in AI-powered copywriting training sessions. Our mission is to empower teams across various industries with the advanced skills needed to leverage AI technology in their daily tasks, ultimately boosting productivity, efficiency, and innovation.

As the pace of the digital age accelerates, the ability to use AI tools effectively, particularly in the realm of writing and communication, becomes crucial. This is where our training program "Customised AI Copywriting Training: Supercharge Your Team's Writing Skills for the ChatGPT Age" comes in.

Our training program covers a wide range of topics, from basic writing skills to advanced persuasion techniques, all using AI tools like ChatGPT. Regardless of your team's location - be it in the office or remote - our flexible, Zoom-based training sessions can accommodate their needs.

Key outcomes of our training include enhanced writing efficiency and productivity, streamlined content creation processes, improved communication and collaboration across teams, and the development of cutting-edge digital skills to maintain competitiveness in the digital landscape.

We believe that [Your Company's Name] would greatly benefit from our customised training program. To ensure your satisfaction, we offer a 'Performance Plus' Guarantee. If you or your team members do not feel more

confident and productive after the session, we'll issue a full refund. It's a risk-free investment in your team's growth and development.

Would you be interested in exploring this opportunity further? I'd be delighted to arrange a no-obligation call or virtual meeting at your earliest convenience to discuss how our training program can align with your organisation's learning and development goals.

Thank you for considering this proposal. I look forward to the possibility of working together to help your team harness the power of AI for their writing tasks.

Best Regards,
